Bar Features

Water Hill Cherry Eau de Vie: Ann Arbor Distillery's very own Michigan cherry brandy. Awarded Double Gold Medal (Best in Show) at the 2017 San Francisco World Spirits Competition.

Suntory 'Toki' whisky: Brand new Japanese whisky blending the heavy grain-forward Chita distillery with single malts from Hakushu and Yamazaki. When all is said-and-done, many different barrel agings are used. The end result is light and nuanced.

WhistlePig Farms Rye Tasting Flight

3 FOR \$25

Created by Dave Pickerell, former Master Distiller of Maker's Mark amongst other notorieties. Currently their rye is sourced from Alberta and finished and bottled at WhistlePig Farm. They discovered/rescued this fabulous rye that was being underutilized in blends. They are starting to fulfill their goal of everything coming from the farm.

1) 10 YEAR 'DOUBLE BARREL':

The 10 year is the most awarded rye in the world. Ryes are generally not aged this long because they pull more intense flavor from the wood than a bourbon. At some point it starts extracting unwanted flavors. So WhistlePig actually moves it to another barrel during its aging. Bottled at 100 proof and distilled from 100% rye, which is a rarely seen because it's so challenging to make.

2) 12 YEAR 'OLD WORLD CASK FINISHED':

This experiment from WhistlePig is a marriage of rye finished in former Sauternes, Port and Madeira barrels. The result is a complex and refined whiskey that can stand up to 18 year old scotch. It won Double Gold for best rye in the 2015 San Francisco World Spirits Competition. Distilled from 95% rye and 5% malted barley and bottled at 86 proof.

3) 15 YEAR 'VERMONT OAK FINISHED':

Vermont oak has closer rings than traditional oak so there is more contact with the rye to add flavor. They had these barrels specially made for this rye. The result is stunning and led to it being the top rated rye in the world. Only a handful of bottles make it into the state, so we are very excited to have it and share it with you! Distilled from 97-100% rye and bottled at 100 proof.
